

School Council Meeting Minutes
Friday 27th November 2015

Present: Mrs Whitehead, CF, HW, FS, RB, AB, KA, LS (apologies from MW).

- ❖ For the last two meetings, the School Council have been clearing up the pond area. KA has suggested that we replace the bark pathway with gravel because it looks neater. Mrs Whitehead suggested we wait until the summer months to continue tidying the pond area and making changes.
- ❖ School Councillors said that all children are looking forward to the sponsored scoot next week.
- ❖ Mrs Whitehead explained that on Monday, Mr Bassett is going to collect the mini bus. He has asked the School Councillors to collect ideas of a slogan/motto to go on the bus. HW gave an example of 'A school full of enjoyment' or LS suggested, 'Where your best is possible.'
- ❖ School councillors counted the pennies from the penny tins ready to put with the money from the sponsored scoot.

Any other business
