

Peace, Trust and Fellowship

Learning and living life in all its fullness.

Term 2 2018/2019

Village Christmas Lights

As you know, the parade for the switching on of the village Christmas lights starts at the school on Friday at 3.30pm. We'd love to see as many of you there as possible. You have one more chance to decorate lanterns for the parade after school today. (Turn up with a jam jar and use our resources to decorate with Christmassy designs)!

As the organisers of the parade are encouraging Christmas jumpers to be worn we thought that it would be nice if children brought Christmas jumpers into school ready for the parade. Children can change into them in the afternoon ready to walk to the lights.

This is not to be confused with our Foundation Stage led charity day (Christmas Jumper day for Save the Children) on the Friday 14th December; a full day of Christmas attire!

Tree Planting

A big thank you to the parents of Emilia, Samuel and Owen for your help planting trees and clearing some of our wild area with Miss Kirkham and the children. We love using our outdoor spaces and appreciate your help making them as good as they can be.

Christmas Carols with Grandparents

We are very much looking forward to inviting grandparents in to sing some Christmas songs and share mince pies with us on 14th. We will open the hall from 2.00pm. An indication of numbers would be very helpful. Please could you reply using the slip below if you think a grandparent will be joining us. (It helps with the buying of the mince pies)!

_____ (child's name) will have _____ adults(s) joining the

Christmas Carol fun on 14th December 2018.

(Hard copies of the slip can be sought from the school office).
