

Peace, Trust and Fellowship

Learning and living life in all its fullness.

January 2018/2019

NSPCC

We are now into the second week of our four week involvement with the NSPCC. Last week's assemblies were successful and we are looking forward to our sponsored event. We appreciate your support. If you have any questions about our involvement please contact your child's class teacher.

Clubs

Clubs start again this week. It's cold out there so make sure your child comes ready to wrap up warm if they attend an outdoor club. Please can you ensure your child comes with gloves, a helmet and a bike that has recently been checked for cycling club on Friday.

Snow

We don't expect snow but need to be ready if we have more than a flurry in the next few weeks. Can we remind you that we will use our text and e-mail system first and our website afterwards when letting you know about school opening times. We try hard to keep the school open but will make decisions based on the safety of the children, the number of staff on site and routes into school. We realise that a prompt decision is important.

Rugby

We had a great start to our sporting New Year with a rugby tournament at SMATT. A wonderful day with more competitions planned.

Outdoor Learning

In the coming weeks we will be thinking about our allotments and being outside in the summer months. We were really grateful to the volunteers who helped us make one of our outside areas usable again and have another plea! Any unused and old Wellington Boots would allow more children to help in the garden during the winter weather and we would love to build a bank so that we can go out as and when the weather is appropriate. If you have any to donate we would be very grateful. Also, although we are all big, strong gardeners, we would happily accept help from any member of our school community with a Rotovator! Miss Kirkham would be very happy to hear from you.

Dates

Term dates

February 15th Last day of Term 3

February 25th First day of Term 4

NSPCC

January 21st

January 28th Return visits from NSPCC

February 4th

E-Safety Talk

February 5th 9.00am Talk to parents by the Multi Academy Trust's E-Safety Co-ordinator
